### Historical Brochure Assignment (40 points)

**DIRECTIONS:** In order to fully understand history, I believe we must actively explore it. For this assignment, you will create a **4-sided (not including citation slide)** brochure that contains information about your assigned topic. You are **required** to fill **3 pages** with information and pictures, while also creating an appropriate **title side** that will serve as the face of your pamphlet.

Other requirements:

- **At least 3 pictures** need to be included in your brochure
- **At least 5 facts** must be **included** and **described** in your brochure
- On the **last side**, **cite all sources** that you obtained information in your brochure from. You should have information from and cite **at least two sources**.
- **DO NOT PLAGIARIZE.**
- Be **creative!**

You will be given some class time to begin working on your brochure (including access to the computer lab). What you do not finish today will be homework, for each of you will share information from your brochure before the class tomorrow.

Please refer to the rubric on the back of this sheet as you will be graded on the criteria within it.
