## Mission Statement

To continue to uphold our motto, Ut Prosim, through multiple university, community service, and diversity organizations. To embody Virginia Tech's spirit, tradition, and integrity through my interest and dedication to university-wide diversity. To promote and celebrate the different diversities on campus. Above all, I hope to serve as an ambassador of diversity relations to the Virginia Tech community.

## Objective

To serve as the Virginia Tech Homecoming Queen with honor and respect for the Hokie Nation.

## Education

B.S. Human Nutrition, Foods and Exercise, Dietetics concentration  
Expected: May 2010  
Virginia Polytechnic Institute and State University  
Blacksburg, Virginia
